NO Pets. The event is on private property and our contract states no dogs/pets. You may also be on a shuttle bus depending on where you are directed to park. NO animals on the buses. The meet is a very large crowd as well. Additionally, it is a WIAA rule that animals are not allowed at athletic events.

Parking is very limited for the size of the meet. There will be some distance to walk to get to the course area. There is no special transportation provided and walking is necessary. Remember it is at night. ALL are welcome. However, this may not be the best experience for everyone, depending on age or limitations.
